Dear Mr. Sumsion:

Thank you for submitting the above listed annual progress reports and accompanying mine maps received January 28, 2016. After review, the Division accepts the annual reports and accompanying maps for the files.

Please provide us with an update regarding the reclamation status of the Woolsey Quarry. The Division received information last fall that the company was intending to begin reclamation work at this quarry.

Please contact the lead for these permits, April Abate, at 801-538-5214, or me at 801-538-5261 if you have questions regarding this letter. Thank you for your cooperation in completing these permitting actions.

Sincerely,

Paul B. Baker
